

Please do not let the LPFM stations take over the FM Translators. We listen to K-Love Radio Station and it is very important to us. Our whole family can listen to this station and we do not worry about what our children hear. I was so happy to hear Howard Stern was taken off the air. Many people I know listen to K-Love and it is an excellent station. I did not listen to the Radio before K-Love came on the air, it is too risky as we have 4 children and there is so much filth on the radio. Please, Please do not let LPFM stations have priority over the FM Translators. I do not know what our family would do without K-Love. Thank you for your time
